His docket No 152 dated 5th Instant requesting to be informed if one or two more Midwives can be trained for the Shimoga District.

With reference to the above, has the honor to state that the number of Midwives sanctioned for this District is 4. They have already been entertained and are undergoing training, 2 at Madras and 2 at Bangalore. The provision made in the Local Fund Budget for the year 1892-93 is only Rs 600 which will not cover the Scholarships if any additional number of Pupil Midwives is entertained.

If the Senior Surgeon proposes to entertain one or two more for this District, Government sanction may be obtained and the necessary provision for the

Scholarships will be made in the next year's Budget.

Sir,

With reference to the above, has the honor to inform that it would be most desirable to provide a Midwife for each Taluk in the District and would therefore suggest the arrangement for Scholarships

for the number required or even full pay as it is possible some may be procured qualified and ready for employment any day.
